MEMORANDUM FOR: Director of Central Intelligence
VIA: Deputy Director for Administration
FROM: Director of Training and Education
SUBJECT: Third Meeting of the Kennedy School Committee,
12 April 1990

STAT

1. The John F. Kennedy School of Government would like you to attend and speak to the third meeting of the Steering Committee of the Council on Intelligence and Policy, which will be held from 1730 to 2100 hours on 12 April at the Carnegie Endowment on Dupont Circle in the District. You and Dean Robert Putnam of the Kennedy School are the committee's cochairmen, and you spoke at the two previous meetings in December 1987 and April 1989.

2. Because this is the last committee meeting before the end of our three-year contract with the Kennedy School, the School is planning two afternoon meetings before the formal committee session in the evening.

- An early afternoon meeting at Headquarters with the Associate Deputy Director for Intelligence and the Director of Training and Education to discuss Kennedy School proposals concerning the future shape of the contract.
- A late afternoon session at the Carnegie Endowment, in which Kennedy School representatives will discuss in some detail what they have learned about the intelligence/policy relationship. This meeting will be attended by senior people involved in analysis throughout the Community, and also by representatives of the policymaking community and leading academic specialists. Steering Committee members are, of course, welcome to attend, but the primary goal is to ensure feedback from a wider circle and to allow time for extensive discussion. The Kennedy School will probably invite at least the contingent of academics to the dinner meeting.

SUBJECT: Third Meeting of the Kennedy School Committee,
12 April 1990

A tentative list of invitees, including Steering Committee members, is attached.

3. You would, of course, be welcome at the afternoon meetings, but the scheduled National Foreign Intelligence Board meeting doubtless takes precedent. You may want to arrive after the National Foreign Intelligence Board meeting for cocktails, dinner, and an after-dinner discussion to which your remarks and Dean Putnam's could be the kickoff.
